

# Looking after someone?

**If you're an unpaid carer for a patient,  
a Carer Passport could enable you to:**

- Visit out of normal visiting hours
- Provide assistance with meals and drinking
- Be actively involved in discussing and planning for discharge
- Provide support to the person you care for when they are having tests in the hospital
- Get free/discounted car parking tickets
- Receive drinks on the hospital round
- Enjoy discounts when buying certain food at the hospital canteen
